About Us

In 1992 Brian Sprouse worked for a local window cleaning company. While he enjoyed the work, he realized the company he was working for did not put the customers or employees first. He set out to change all that!

Committed to excellence, he started his own window cleaning company - Reflective Images. He wanted to provide great customer service and quality workmanship at competitive pricing. In order to provide service to customers in a timely manner, Brian understood that he couldn't do it all on his own. With the employees Brian added to the company, he was able to take on more projects and complete them in a timely manner. To this day, Brian instills with every employee his mission of offering a quality product along with great customer service. In continuing to grow his company, Brian bought Paneless Window Washing in 1998 and Crystal Clear Window Washing in 2003. Even though our company has experienced tremendous growth, we are proud to say that our company has had no official complaints to go along with our dozens of great employees and thousands of satisfied customers!

Currently, under the name of Paramount Home services, Brian still loves providing window, power washing and gutter cleaning services for the old customers of Reflective Images, Crystal Clear and new customers acquired under the Paramount name. Dave Calcagno handles the home repair and improvements division. Valerie Weir is our resident animal lover, who is in charge of pet sitting! Both Brian and Dave team up to provide snow removal in the winter, along with Carlos Morales and his brother Julio. Carlos and Julio, who also help out with the window and gutter cleaning, both have over 10 years of experience. They have been with us for a few years, and have always done an outstanding job!
