## Snow Removal

The 2008-2009 winter was the 4th snowiest winter on record! Leave the back breaking labor to the professionals! We have per time rates, season rates and group discounts available! We are limiting the amount of customers we service to ensure prompt snow removal, every time! Early sign up will ensure these great rates!

### Pre-Season rates: (good through 11/15)

One price will cover all snowfalls of 2" or more for the entire season! Add \$50 to any quoted or advertised price per driveway for 1' service. Call for details!

- Pricing starts at \$195 for the unlimited snow removal for the driveway and \$245 includes the walks!
- Get a few neighbors involved, and we can discount those prices even further!
- We will be out as soon as the snow stops, or 2" has accumulated and will not stop until the snow has stopped falling!

### Per time rates:

- Pricing starts at a rate of \$25, add \$10 for walkways.

During a snow event, we can be reached 24/7 for any special requests. Salting is also available, on a per request basis, at an additional cost.
