Refer a Friend Special

If a friend or neighbor has cleaning completed prior to your appointment, both you and the person you referred will get a 10% discount! If you refer more than one friend or neighbor, you will get a 10% discount for each additional referral completed, for a maximum savings of 50% off the price of your own service!

Neighborhood Bonus

Similar to our Refer-a-Friend Bonus, the savings here can be applied to more than one! If a neighbor, or friend that lives nearby, has their window or gutter cleaning completed on the same day as you, while your referred friend will receive 10% off, you will get 10% off your service! If you refer more than one friend or neighbor, you will get a 10% discount for each additional referral, for a maximum savings of 100% off the price of your own service!

If you refer 10 or more of your friends and neighbors to have their windows done at the same time, in addition to having your windows done for **FREE**, you will receive a voucher for a free outside only cleaning! Use at any time!

***Specials are accepted only at the time of window cleaning and are only valid during the dates specified. Cannot be used in conjunction with any other coupon or special offer.*
